CAKE ENGINEERING PROGRAM

ABOUT THE PROGRAM:

Themed and Speciality Cakes were once reserved only for special occasions. Fortunately, times have changed, and custom cakes have become the center of every celebration. Whether it is birthdays, weddings, anniversaries, or surprising a loved one, beautiful decorative cakes have become a primary choice. Find your creative baking voice through our Cake Engineering Programme. Encompassing Cake Artistry in its Classic and Modern form, this comprehensive program is designed to provide you with a solid foundation in this growing area of baking. Whether you are an existing baker or a complete novice, the program is outlined to match everyone's needs.
